### Action Not Shown in Complaint.

United States Judge John A. Marshall closed another chapter of the Perry case Monday morning by handing down an opinion in which he sustained the demurrer filed by E. S. Perry, the defendant. The demurrer was filed in answer to a complaint brought against E. S. Perry by the Michigan Trust company of Grand Rapids, Mich., to collect a judgment of nearly a million dollars rendered by the federal district court in favor of P. Perry. The demurrer held that facts sufficient to constitute a cause of action were not shown in the complaint. The demurrer was sustained by Judge Marshall and he also said that the demurrance was a court order and not a final judgment.

Provo, Nov. 2.—In the case of William B. Byrum, charged with the murder of John A. Smith, the jury returned a verdict of guilty, and the court sentenced him to the State Prison for life.
